Jesus told a parable about a man who went to his neighbor at midnight and asked him for some bread. He said he needed it for a visitor. Even though it was very late at night, the man gave his neighbor the bread.

Then Jesus explained how this is the way God gives us good things when we ask Him. He asked if a son asked a good father for bread….

Would he give him a stone?

NO

If the son asked for a fish….

Would a good father give him a snake?

NO

If a son asked him for an egg….

Would a good father give his son a scorpion?

NO

God is our Heavenly Father. He loves us, and He gives us good things. We should be kind to people when they need help, because God is so kind to us! What could your family do to help someone who is in need?
