WHAT DO YOU CHOOSE?

The prodigal son left his good home, and took his share of the money. He spent it all on wild parties and doing things God would not like. Then his money was all gone. He worked taking care of pigs. He was so hungry he even wanted to eat the pig food. YUCK. Then he realized that ever the servants in his father's house had better food to eat and a nice place to stay. He went back and told his father he would be a servant. His father took him back as his son. He still loved him, just as God always loves us!

If we choose to do bad things, we are acting like the prodigal son, who ended up wanting to eat pig food.

When we choose to do good things and obey our parents and God, we are like the son when he went back home. God wants us to choose to love and obey Him!
