12. Five Were Ready

Matthew 25:1-13

Jesus told a parable about ten ladies. They were going to a wedding, and went to meet the bridegroom. Five were wise. They took extra oil for their lamps. Five did not take extra oil. While they were waiting, they fell asleep. When they heard that the bridegroom was coming, the five who did not have any extra oil had to go buy some. The bridegroom came and took the five wise ladies with him. The others did not get to go in to the wedding. Jesus told this story to teach us to let our lights shine all the time and be ready for Him!
