

LESSON BOOKS FOR FIFTH AND SIXTH GRADERS

Three lesson books for 5th and 6th graders were written because of difficulty in finding lesson material on these topics. Each contains activities that are of interest to students, while fortifying knowledge of Bible truths, such as: word searches, crossword puzzles, multiple choice, etc. Weekly Bible reading and memorization are assigned. Thirteen lessons each:

According to God's Pattern covers why churches of Christ partake of the Lord's Supper every first day of the week, do not use musical instruments, etc. It explains the qualifications of elders, deacons, and their wives. One lesson describes how to become a Christian. Church discipline is covered, as well as the need to remain faithful. Completely revised in 1997.

Developing Christian Character presents Bible teaching on qualities teachers desire to cultivate in our youth: honesty, obedience, kindness, patience, meekness, industry, forgiveness, love for God, gratitude, purity, etc. Our young people need to realize the only basis for good morals is found in the Bible.

Following in Christ's Footsteps leads students through the book of Mark. Neglected topics are emphasized, such as why churches of Christ do not celebrate Christmas as the birth of Christ and why we must not add the commandments of men to God's Word. Lesson titles are: 1. The Birth of Christ; 2. Submission to the Father; 3. Jesus, Son of God; 4. Miracles of the Son of God; 5. The Commandments of Men; 6. Hear Him; 7. A Spiritual Kingdom; 8. Destruction of Jerusalem; 9. A Weekly Reminder; 10. Not My Will, But Thine; 11. Denial and Repentance; 12. God's Grace; and 13. He Arose.

These three lesson books may be used with the RWSs of the same topic. The lesson titles are the same, and some of the same material is covered, but 5th and 6th graders will study the topic in greater detail and/or study another related topic in the same lesson. It would work well to use these lesson books with the RWSs in a multi-age classroom.

Lesson books for 5th and 6th grades sell for \$3.75 per student book and \$4.75 per teachers' guide.

Please order from the bookstore where you purchased this book or CD.
