REPRODUCIBLE WORK SHEETS

COLORING BOOKS

RWS-CB #301, A Children's Coloring Book of Bible Verses, is the first original coloring book published by Hanna Publications. At this time there are no plans to publish other coloring books, but we are open to the possibility in future years.

It is a true joy to introduce a gifted artist, Malissa J. Sansom, and tell you about this fine young Christian woman and the coloring book she has created. Malissa is presently a freshman at Freed-Hardeman University. She plans to major in pre-pharmacy. She was a 2009 graduate of Baldwin High School. Graduates were required to complete a senior project, and she chose to create this coloring book. She writes, "I felt it would benefit children in the US and foreign countries. Aside from the satisfaction that I received from knowing that it was beneficial to children, I also received one of five awards in my class for the best senior projects."

SUGGESTIONS FOR USING THIS COLOR BOOK

This reproducible coloring book contains 54 original graphics by Malissa J. Sansom along with one Bible verse to describe each graphic. It could be used in countless ways. Use your own imagination, but here are a few of our suggestions:

- ⇒ A coloring book for preschoolers or grade school children in your own home or give it as a gift to friends and family.
- ⇒ Coloring pages to go with Bible lessons for young children.
- ⇒ Create a yearlong project with students coloring a page each week, to be placed into a booklet of your own creation.
- ⇒ Use the book as a weekly memory verse for older students. Color the page for the week and place it on a wall or in a folder. Use the graphics with the verses covered to review the memory verses.
- ⇒ Memory verses can also be learned at home! Work on a verse a week for older children or use a longer time span for younger children.
- ⇒ Color some of the pictures to use on a bulletin board in your classroom.

CD, $10 each. Books are out of stock. You may continue purchasing the material in CD or download format.
