RWS #56
Christian Fundamentals

Previously these three books for grades 5-6 were available as individual student and teacher books and were not reproducible. Due to storage space required and the cost of having them printed in this manner, Hanna Publications has decided to offer all three books as **ONE** reproducible book/CD/download with the spiral binding like our other lessons. However this one book includes 39 lessons and will cover three quarters of teaching. Individual lesson sheets may be sent home weekly or the teacher may wish to provide students with notebooks in which to place lessons as they are completed so they may be saved together. The book sells for **$18**, and the CD or download may be purchased for **$16**. **When the current stock of books has been sold they will not be reprinted. CDs and downloads will continue.**

These three lesson series for 5th and 6th graders were written because of difficulty in finding lesson material on these topics. Each contains activities that are of interest to students, while fortifying knowledge of Bible truths, such as: word searches, crossword puzzles, multiple choice, etc. Weekly Bible reading and memorization are assigned. Thirteen lessons each:

According to God's Pattern covers <u>why</u> churches of Christ partake of the Lord's Supper every first day of the week, do not use musical instruments, etc. It explains the qualifications of elders, deacons, and their wives. One lesson describes how to become a Christian. Church discipline is covered, as well as the need to remain faithful. Revised in 1997.

Developing Christian Character presents Bible teaching on qualities teachers desire to cultivate in our youth: honesty, obedience, kindness, patience, meekness, industry, forgiveness, love for God, gratitude, purity, etc. Our young people need to realize the only basis for good morals is found in the Bible.

Following in Christ's Footsteps leads students through the book of Mark. Neglected topics are emphasized, such as why churches of Christ do not celebrate Christmas as the birth of Christ and why we must not add the commandments of men to God's Word. Lesson titles are: 1. The Birth of Christ; 2. Submission to the Father; 3. Jesus, Son of God; 4. Miracles of the Son of God; 5. The Commandments of Men; 6. Hear Him; 7. A Spiritual Kingdom; 8. Destruction of Jerusalem; 9. A Weekly Reminder; 10. Not My Will, But Thine; 11. Denial and Repentance; 12. God's Grace; and 13. He Arose.

These three lesson sets may be used with the RWSs for grades 1-4 of the same title. Some of the same material is covered, but 5th and 6th graders study the topic in greater detail and/or study another related topic in that lesson. It would work well to use these lesson books with the RWSs in a multi-age classroom with any combination from 1st – 6th grade.
